

Bicycle Demonstration in Favour of More Investment in Lower Saxony Universities and Colleges

May 12, 2021

Hygiene and Safety Policy:

- Participants must wear FFP2 masks or equivalent surgical masks at all times.
- During the rallies at the university's main building (Welfenschloss), at the Ministry of Finance and at the Federal State Parliament Building (*Landtag*), participants must keep a minimum distance of 1.5 metres to other participants.
- The minimum distance must also be kept while riding the bicycle.
- On Hannah-Arendt-Platz, the formation of dense crowds must be avoided. If you wish to look at other participants' activities, make sure to keep the minimum distance to other participants.
- The organisers are looking for volunteers for acting as stewards and making sure participants follow these rules. All interested in volunteering will be called on at the start of the opening rally and instructed about their tasks.
- Please make sure to bring several suitable face masks in order to make frequent changes possible.
- At the moment, the weather forecast for Wednesday is 18 degrees Celsius with a 70% chance of rain. It is therefore recommended to wear rain-proof clothing and to bring an umbrella.
